

The Continuous Revenue Program

The Affiliate Program That Keeps On Giving On Every Transaction For One Full Year.

AFFILIATE PROGRAM

Become An Affiliate:

By becoming a Big Brand Mall Affiliate, you will **receive a commission every time** one of the members who joined the program through your site shops through our online mall. *Your commission is earned on every qualifying transaction, excluding gift cards for each and every member **FOR AN ENTIRE YEAR.***

We will provide our affiliates with trusted 24/7/365 online tracking, real-time reporting, and monthly commission checks. Please complete the short application form below to get started earning commissions.

Simply fill out the [Affiliate Registration Form](#) for FREE and we will immediately review your application. Once approved you can take advantage of the marketing, technology and services available through our web-based interface.

Bi Brand Mall is a member of the BSP Rewards Network, an operating division of [MediaNet Group Technologies](#), Inc. The BSP Rewards program assists some of the nation's most prestigious companies in rewarding their customers through a unique loyalty program that benefits corporations, merchants, members, charities and card issuers.

Rewards that can be earned and redeemed from over 900 participating merchants.

..... to name a few

Affiliate Commissions

10% of all net revenue* received from participating merchants from purchases made by your members through the BSP rewards network. Your commissions will be on every qualifying purchase by that member **for one entire year.** *net revenue is defined as revenue earned by BSP from merchants after deducting portion credited to member, excluding gift cards.

Your Member's Benefits include:

- 🍎 Big Brand mall and BSP Rewards make up one of the nation's most valuable shopping and rewards programs, as it rewards customers with up to 20% in rewards and up to 60% in discounts
- 🍎 Members receive monthly newsletters with specials, promotions and giveaways
- 🍎 Members can combine points from all merchants and spend them like cash anywhere in the system
